These Terms of Service govern your access to and use of Centrodoc's website (the "**Site**"), any information, text, graphics, or other materials created and/or provided by Centrodoc and appearing on the Site (the "**Content**"), Files (as defined below) and any services and/or software provided through the Site or by Centrodoc (the "**Services**"). These Terms of Service limit Centrodoc's liability and obligations to you, grant Centrodoc certain rights and allow Centrodoc to change, suspend or terminate your access to and use of the Site, Content, Files and Services. Your access to and use of the Site, Content, Files and/or Services are expressly conditioned on your compliance with these Terms of Service. By accessing or using the Site, Content, Files and/or Services you agree to be bound by these Terms of Service.

You understand by clicking the "**I AGREE**" button, by using the site, content, files and/or services or your account, you are agreeing to be bound by these Terms of Service. You are also agreeing to be added to other properties and projects as appropriate which you are involved with. If you do not accept these Terms of Service in their entirety, you may not access or use the site, content, files or services. If you agree to these Terms of Service on behalf of a business you represent and warrant that you have the authority to bind that business to these Terms of Service and your agreement to these Terms will be treated as the agreement of the business. In that event, "**YOU**" and "**YOUR**" will refer and apply to that business.

Consent to Access Your Files

By utilizing the site, content, files and/or services, you consent to allow Centrodoc to access any files that are placed in the

centrodoc

“**My Centrodoc**”, “**Centrodoc**” folders, and/or any other folder which you choose to link to Centrodoc. By placing files in your shared folder you consent to share access to the content of those folders with those other Centrodoc users that have been authorized to utilize those folders. By placing files in your folders you consent to share access to the content of those folders with other Centrodoc users and/or the public.

Files and Folders

“**Your Files**” or “**User Files**” (collectively, the “**Files**”) as used in this Agreement means the information contained in the files that you or other users upload, download and access through the Site and Services. You are the owner of Your Files and are solely responsible for your conduct and the content of Your Files, as well as any of the content contained in your communications with other Centrodoc users, including but not limited to User Posts (as defined below).

Centrodoc allows you to share some or all of Your Files. If you choose to, you can share all or some of Your Files with the general public, or with specific individuals you select. If you decide to share Your Files, you are giving certain legal rights, as explained below, to those individuals who you have given access to your folders.

Centrodoc does not claim any ownership rights in Your Files. You acknowledge that Centrodoc does not have any obligation to monitor the Files or User Posts that are uploaded, posted, submitted, linked to or otherwise transmitted using the Site or Services, for any purpose and, as a result, is not responsible for the accuracy, completeness, appropriateness, legality or applicability of the Files or anything said, depicted or written by users in their User Posts, including without limitation, any information obtained by using the Site or Services. Centrodoc does not endorse anything contained in the Files or User Posts or any opinion, recommendation or advice expressed therein and you agree to waive, and hereby do waive, any legal or equitable rights or remedies you have or may have against Centrodoc with respect thereto.

Your Public Folder

While you own the content contained in Your Files, files uploaded to Centrodoc are automatically available to other Centrodoc users and in some cases to the general public. By uploading files to Centrodoc, you hereby grant all other Centrodoc users a non-exclusive, non-commercial, worldwide, royalty-free, sub-licensable, perpetual and irrevocable right and license to use and exploit Your Files. In other words, a file in a Centrodoc folder can be used by anyone, for any purpose except commercial use. By uploading Your Files to Centrodoc, you agree and acknowledge that Centrodoc has no responsibility or obligation to monitor or notify of you of any non-compliance related to the license you have granted and that Centrodoc has no responsibility to enforce or police, or aid you in enforcing or policing, the terms of that license.

Your Responsibilities

You represent and warrant that you own or have the necessary licenses, rights, consents and permissions to grant the licenses that both your public and shared folders require, as described above. Please note that moving all or portions of Your Files from Centrodoc does not revoke the license granted to those individuals who previously accessed those files.

You should be aware that Files may be protected by intellectual property rights which are owned by the Centrodoc user whose folder that File resides in. You may not modify, rent, lease, loan, sell, distribute or create derivative works based on the content(s) (either in whole or in part) of another user's file unless you have been specifically told that you may do so by the rightful owner of that File, in a separate agreement.

You acknowledge and agree that you should not rely on the Site, Content, Files and Services for any reason. You further acknowledge and agree that you are solely responsible for maintaining and protecting all data and information that is stored, retrieved or otherwise processed by the Site, Content, Files or Services. Without limiting the foregoing, you will be responsible for all costs and expenses that you or others may incur with respect to backing up, and restoring and/or recreating any data and information that is lost or corrupted as a result of your use of the Site, Content, Files and/or Services.
